The Chronicle and Directory for 1869 NOW READY

As already announced, the Directory is published in Two Forms. Complete at \$5, or with Copies may be obtained at the Daily Press

Office, and of the following Agents:-Messrs. Drown & Co., Swalny. WILSON, NICHOLLS & Co., Amoy. Thompson & Co., Foochow. LANE, CRAWFORD & Co., Shanghai. Watchells, Groos & Co., Japan.

The delivery of the Daily Press from this office commessengers left the office at 10.25.

Hongkong, March 22nd, 1869.

A REMARK made by the Honorable Mr. Taylor at the meeting of the Chamber of Commerce, convened to take into consideration the convened to take into consideration the story at West Point. This, he should be allowed to trade only at the few made of the flow of the same time the flow will bis creditors under the Bankenboy and their strength would tended to take part in the great Ocean Race. There are between them, and their strength would tended to take part in the great Ocean Race. The convening the opening of new ports, is described by the serving of attention. That gentleman threw for the suggestion that the opening of fresh out the suggestion that the suggestion that the opening of fresh out the suggestion that the suggesti out the suggestion that the opening of fresh ports need not be a source of additional exports under the present weak of the construction of the co that was requisite for a Consul to do at such | Head of his Department of the fact, shall, upon |

The suggestion, which has been embodied | reinstated. in the Chamber's final reply, raises two questions: first, as to the advisability of the ap- THE DISTRIBUTION OF PRIZES AT ST. pointment of non-official Consuls generally and, secondly, as to the likelihood of that institution took place on Saturday afternoon. A hoped that the example set by the Roman ports that may be thrown open in conse- present among whom were H.E. the Governor lowed by other denominations, and that our

on at the Capital. Upon the first point, considerable discus. After a musical perforance by three young the prizes, to the successful pupils at the exami Sind has taken place at various times in the gentlemen connected with the College, Father nation just closed, in the various branches of Ramondi rose and read a report of the schools study. He remarked that the first medal we public papers, and there is a general opinion under his charge for the past year. one he presented, for a sort of micrit he that the plan is not, for very obvious reasons, The schools were divided into, purely Euro- had bimself invented. He gave a medal to one which should be encouraged. There pean schools Chinese schools for Europeans whatever boy had made the greatest general was an old standing joire at Shanghai—the which, there were a Reformatory and a Girls it was open to any boy in the school of whatever Consular port par excellences of a merchant, school. The European schools were designed age or size. Master Philomen de Luz, this who, when he got into a dispute with the exclusively to give European children a com- winner of this prize, was then presented with Chinese, commonly anded the matter with: mercial education. They are going on well, the medal.

Chinese, commonly anded the matter with: numbering 95 regularly attending scholars. Of The following young gentlemen were then "Well, if you don't accept my view of the these, 72 were Portuguese; and, though this num presented with prizes - 20d Prize - Prematter, you know your remedy—you can ber looked small, considering the large number sented by H. J. Ball, Esq., for the take me to my Consul which is myself." of Portugese residents in the Colony. Father Ra. Chinese language, Henry Liking, 3rd Prizo. mondi had ascertained that deducting those re-Presented by J. C. Whyto, Esq., for This story may not be literally time; but ceiving private tuition, there were only five or six Arithmetic, Henry Wagner; 4th Prize - Preaccording to the Italian proverb, if not true, who did not receive an education. Many of the sented by A. Newton, Esq., for music, Augusti it is at least well told. No doubt, any mer-cantile men of high standing and respecta-schools for Europeans, in addition to the Can-cantile men of high standing and respectability would be above making uso of their ton teacher, the services of a Mandarin teacher Algebra, Henry Wagner the Prize. For position as Consuls to further their own studying Uhinese, and great good had been properly. James Awah, 4th; 9th Prize. —
private ends; but this does not alter the duced by the emulation excited by the presentator.

For Geometry, Alfredo Soares, 2nd; 10th fact that they would be placed in a position tion of medals by Judge Ball, Vete, Gercal, Prize.—For English Grammar, Leopoldo Barthe the 19th ulto. From the direction and the to do so, and such is not right, either for the Messrs. Whyte and Newton. In the Chi- retto, 3rd; 11th Prize, For second prize in public interests or for those who occupy that to educate the Chinese in their own language, For Chinese, English School, Leong-ting-leong; but means were provided to teach them English | 13th Prize.—Presented by Mr. Hartung, French | 1st the utmost scrupulousness, they might at in addition. About 100 had been the number at Chancellor, for French, Charles Richards; 14th times be open to unfair criticism on this tending during the past year. They were found Prize.—Given by F. Raimondi, P.A., for first to make fair, but not very extensive, progress in Reading-book, Stephen de Luz: 15th Prize. ground; a circumstance which, with many English conversation, the native promuciation For Sequel to First book, James Woodford, men, would have the effect of giving them a of Latin or Italian being always better than 16th Prize.—For second Reading-book, Octavio leaning towards the side against them that of English. upon the most ansatisfactory footing, and the Chamber cannot too strongly impress upon His Excellency the necessity of a rudical change in the manner of levying such. 13.—The boon intended to be secured to trade by Rule 7, appended to the Treaty of Tientsin, has, the Chamber need hardly point out, be come null and void, by the heavy exactions made of the settlement having been made by some upon Imports in their transit from the Treaty ports to the places of consumption, and upon

production to the port of shipment; and as a means towards the suppression of said illegal Dies be abolished, and that a Tax called Im taxes, the Chamber would advocate strongly port and Export Dues be levied in their place; the opening freely of Inland marts to Foreign merchants, and the development of inland coin-14.—To secure the greater freedom of transit on present scale be made up from the books of KINSFORD & Co., PICCADILLY of goods into and from the interior, the Chamber Custom House. It was also resolved at the

Treaty, and that the removal of the restrict paid a just proportion of Wharfage Dues. waters by steamers, and the introduction of writing under date of 27th February, status :advantage to foreigners and Chinese generally, of the two Hoo, reached here yesterday with his

Your most obedient Servant. W. J. BRYANS, OUTBREAK IN THE CANTON PROVINCE

The outbreak in the south of this province which has for some time been going on, appears to be assuming somewhat alarming dimensions, The last news is to the effect that the head of Messrs. Fergusson & Co., Chefookin which they the Chiang clan, who consist of over 10,000 men, complain of a charge of smuggling brought and are the belligerents on one side, has taken against them in the Customs Reports, the cirsteps to secure the services of a number of half cumetances connected with the alleged smugcastes, in order to proscente operations with gling being simply that a parcel of 'Dyed pots', more vigour. It seems that the different which had originally been wrongly entered in clans have long been animated by a feeling Shanghai as White Spots' were reshipped to COENIC ARTIST, PORTRAIT, of rivalry and hostility, which only re- Messre. Fergussin & Co., properly designated; quired an occasion to break out into open war but in consequence of the discrepancy thus fare. The Chiang clan occupy the district arising between the goods as returned on their known as the Heong-san (Heining shan, or re-export and returned on their original entry, Fragrant Hills, only about twenty or thirty they were detained for a year by the Customs miles from Macao), and are surrounded by a at Cheloo, but ultimately given up on payment num'er of petty clans. The Chiang clan is of a mulet of over Tls, 500. The Customs in the composed chiefly of wealthy men, while the course of the correspondence with Messre, neighbouring clans who are combined against Ferguson & Co., admitted that the only reason them, consist of prover and less influential for detention of the goods and infliction of the people. The immediate cause of the outbreak fine was the original error in their entry at was, that these latter commenced setting up a Shanghai. Even this, it is said, was clearly but
